### Project objectives:

The objective is to foster institutional cooperation in the field of higher education between the European Union and India through a mobility scheme addressing student and academic exchanges for the purpose of studying, teaching, training and research.

### Brief description:

Eight universities in India and twelve in Europe, supported by two developmental associations in India and two developmental associations in Europe, will participate in the mobility scheme in order to, among other things: enhance and develop cooperation between higher-education institutions in India and the EU; develop the educational capacities of Indian students and researchers in areas closely related to their regional needs; and provide students from vulnerable groups with the opportunity to further their educational and professional development.
